I have a vague memory of a bike snapping in 2 with me on it when I was maybe about 8yrs old.

### What would you say to a school thinking about participating in Bikeability Scotland?

A fun way to learn/teach a valuable life skill.

### Best Bikeability Scotland moment?

I enjoy training teachers as BSI's, teachers are usually a lot of fun in this sort of situation.

### Most likely to be heard saying....

Something about Mountain Biking
